PROFESSIONAL EXPERIENCE

- **Eko Electricity Distribution Plc** **June 2025 - Present**
IT Operations , 24/25 Marina Rd, Lagos Island, Nigeria
.As an IT Operations Officer at Eko Electricity Distribution Plc, I manage and support the company's IT infrastructure, including servers, networks, and critical applications like billing and smart meter systems. I provide technical support, maintain system security, and assist in ensuring operational continuity for technologies such as SCADA and GIS. My role involves resolving user issues, supporting data backup and recovery, and contributing to the overall efficiency and reliability of EKEDC's IT environment.
 - **Tunken Elevators** **September 2023 - October 2023**
Front-End Developer , Lagos , Nigeria.
I designed and developed a fully responsive website showcasing the company's services using Html and Bootstrap CSS. Visit Site: [Click Here](#)
I Collaborated with the client to refine the UI/UX, ensuring a seamless user experience i additionally provided support and recommendations for website optimization.
 - **NIIT Limited , Awolowo Road , Ikeja , Lagos , Nigeria.** **January 2023 - June 2023**
Web Development Intern
I completed a six-month internship, gaining hands-on experience in frontend development. During this period i built a car dealership website, a travel agency site, and a personal portfolio using React.js and Bootstrap CSS. This strengthened my problem-solving skills by troubleshooting UI/UX issues in real-world applications.
